## Peace Card Project

### Students join in Peace Exchange

Creative Arts at Community Prep is always about more than artwork. This spring students have turned their talents to creating peace cards for the Create Peace Project. Their post cards, with messages of peace, will be sent to students, probably in Ghana, and peace cards from them will come back to our students.

## Shakespeare in the City

Shakespeare is always part of 7th grade at CP. For the last two years, students have taken their talents to town with "Shakespeare in the City."

Organized by Lincoln School, schools from around the state signed up for individual scenes from the year's play, *A Midsummer Night's Dream*. Each cast and directed its scene, and then all the schools--and well over 100 kids--came together in May to perform the entire play, scene by scene.

This year, 7th grade teacher Tamar Paull directed the

play's first scene. "The kids were AWESOME!! The play is a series of love triangles and mistaken identities, and I cast identical twins in the leading roles (competitors for the same guy). It was hilarious, and the kids had a blast!"

## Thank You Fleming's!

Once again Fleming's has come through for Community Prep. In addition to hosting our Annual Founders' Society Dinner in October 2011, they are donating a \$100 gift card to every golfer in next week's CP Golf Classic. And, they'll even be there with champagne for the golfers as they come by. "This is a wonderful partnership," explains Development Director Dana DiMarco. "There are so many ways an organization can support our students, and every year Fleming's finds creative ways to help."

## Support the Scholarship Fund!

**Every year**, Community Prep must raise more than **\$1 Million** to keep its doors open to some of the area's most motivated low-income students.

**Donate Now!**

Community Preparatory School was founded in 1984 to provide educational opportunity to low-income students. Today, Community Prep remains committed to its original mission while serving students from a wide range of ethnic and socio-economic backgrounds.

Community Prep offers students in grades three through eight the benefits of an independent school - small classes, challenging academics, and a positive, nurturing environment - combined with the cultural and economic diversity of a public school.
