

Thank you for your interest in Community Preparatory School.

Choose one option below for submission of the Community Preparatory School application form.

Option I. Fill-in the application on your computer

A. You will need Adobe Reader, Preview or another .pdf reader application. If you already have one of these applications on your computer, proceed to step B.

If you do not have one of these applications click here to download the FREE Adobe Reader application for your computer operating system.

<http://get.adobe.com/reader/otherversions/>

B. Download the application form to your computer.

C. Double-click to open the application form. The form should open in Adobe Reader or another .pdf reader application. If it does not close the application it opened in. Manually reopen the application, select File, select Open then browse for the application form CPSApplication.pdf.

D. The online application has text fields which enable you to type responses into the application. Click on each field (Name, Address, check one, etc.) and type in your response. Please do not leave any fields blank.

E. Once you have completed and reviewed your form, click the red submit button located at the bottom of page three. Carefully read and follow the on-screen prompts for Desktop Email or Internet Email.

Option II. Download then fill in the application with pen

- a. Download the application form to your computer.
- b. Print out the application form.
- c. Neatly fill in the form with pen.
- d. Mail to or hand-deliver to:

Community Prep School Admissions Office
126 Somerset Street
Providence, RI 02907

If you experience difficulties with Option I or Option II, please call to request the form be sent to you via postal mail.
